Players playing twice on any team in any division cannot move. This can only be done with the league director's approval and the player's average entered by the director.
3. Teams will be permitted to manually add players at the board on league nights through week #3 using an accurate PPD and MPR. Beginning week #4, anyone that will be playing on your team must be turned into the league director and entered on the League Leader System. No players can be manually onto the dart machines after week #3. No new players can be added on week #10 or week #19
4. All teams should have established members & subs in place. When Playoffs begin, only teams with eligible players will be allowed to participate. NO EXCEPTIONS!

## **SPECIAL RULES FOR CANCELATION DUE TO PANDEMIC**

All league payouts are based on full schedule of league play and any playoffs or league final matches.

If any months are cancelled due to pandemic but the season picks back up and is played out, payout structure will be adjusted accordingly to the actual amount of league money collected.

If less than 50% of the league is played, and the season must be cancelled due to pandemic, each team will be refunded their league dues paid. The percentage of league money paid for coin drop will NOT be refunded.

If 50% of the league is played and the season must be cancelled due to pandemic, the payouts will be based on the league money collected at time of cancellation and paid out according to the league team standings.

All league play will follow the guidelines set by the location where league play is scheduled. In the future, if masks become a requirement to be in a location then players must wear a mask to play. Dart league play will not override any guidelines set by the location which may result in the location being in noncompliance of state or local guidelines.
