Each team will be placed in a division based on the overall rating of the team turned in on original roster. The two highest players on roster will determine the rating of the team.

Please understand that the goal of this league is to get equally matched teams in a competitive environment playing to improve their dart game and prepare for tournament play. We have set a few guidelines in place to help achieve this goal.

TEAM ROSTER AND SUB POLICY

1. Due to increased levels of competition and the caliber of play in this league will

enforce a strict team roster rule and sub policy.

2. The Arachnid dart machines keep all team rosters. Team rosters turned in to City Amusement will be entered on the League Leader System. This establishes your team's roster.

3. Players CANNOT switch teams after playing for a league team. Once a player plays for a team, he or she is a permanent team member for that league period.

4. At the discretion of the league director. (One exception) a player can switch teams to a different division if they have played only one week on a team. Players playing twice on any team in any division cannot move. This can only be done with the league director's approval and the player's average entered by director.

5. Please be flexible when establishing your roster. All teams should have at least four members to be on the safe side. When tournament time comes, only teams with eligible players will be allowed to participate. NO EXCEPTIONS!

7. Subs or team must pay league monies. If a sub on any team's roster plays, the team is still responsible for all league monies.

8. **ALL SUBS' AVERAGES MUST KEEP THE TEAM WITHIN THE CAP THAT IS FIRST ESTABLISHED AT THE BEGINNING OF THE SEASON. NO EXCEPTIONS! IF THIS RULE IS BROKEN, THE TEAM MAKING THE INFRACTION WILL BE GIVING FORFEITS FOR ALL GAMES THE INVALID PLAYER PARTICIPATED IN.**

ALL DECISIONS ON CHANGES MADE ARE FINAL.
