Any team that has 3 or more returning players that won the following year, will automatically be put into the next level for playoffs (i.e. if Nick, Pat, Davey, and Jeremy won Division B last year, and Nick, Pat, and Davey sign up on the same team, they will automatically be placed in A Division for playoffs.)

Monthly matches may be played between two different divisions but will only be played between same divisions in the finals. City Amusement offices reserve the right to adjust as needed in order to make the league as best as possible.

Please understand that the goal of this league is to get equally matched teams in a competitive environment playing to improve their dart game and prepare for tournament play. We have set a few guidelines in place to help achieve this goal.

Any team playing a female player in the Men's Championship League will forfeit all games in which the female participates. Any team playing a male player in the Women's Championship League will forfeit all games in which the male participates.
